### Eastern European Mission

For 50 Years, Eastern European Mission has been on a mission. To take the Bible and put it into the hands of men, women and children of Eastern Europe in their own language; people who have never had the opportunity to hear the Word of God, much less be able to read their very own bible. Some had only heard about this book called the Bible, but had never actually seen one. Imagine. Never having been able to hold a Bible in your hands and read it.

There are many stories of people who received their first Bible from EEM, read it and then passed it on to their children, parents, relatives and friends. One Bible, often times ends up reaching many, many people. Only God knows. And the journey continues...

It is time to celebrate what God had allowed us to do for 50 years. So, Please join us for dinner. All we ask, is that you come and hear how you can support the exciting works in Russia, Ukraine, and Eastern Europe. That is why we say what we say. The Bible. We want everyone to get it.  
Tuesday, October 11. Reception 6:30 PM- Dinner 7-9

### Missions in American Samoa:

We had 75 for services, yesterday. That was great. But the highlight came following services. The church gathered at Lion's Park to witness the baptism of Silia Seve. Silia is helping one of our church members take care of her very ill husband. One of the women at church, also someone who helps with this ill member, made sharing Christ with Silia a part of daily conversations. Yesterday, Silia requested to put Christ on in baptism. It was a great day.

Among the 75 in church, yesterday, was a visiting family of 5, as well as a few other visitors. It is such a blessing when members bring family and friends to church with them.
