Missions in American Samoa:

Last week, we committed to send our church contribution to the Bastrop Church of Christ to help with fire relief. As you may remember, the Bastrop Church of Christ donated money to help my family begin our mission work in American Samoa. We were able to send a check for \$500 to the Bastrop Church of Christ. It is always a pleasure to share our blessings.

On Wednesday, Lynn and Tia will attend a meeting with the authorities that approve building permits. If all goes, well, we should have permits to begin building a church building very soon. I'll keep you posted.
